## **Independent auditors' report**

We have audited the accompanying financial statements of YMCA of Indiana County (a not-for-profit organization), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of YMCA of Indiana County as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

**YMCA OF INDIANA COUNTY**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2013 AND 2012**

1. **SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

**Nature of activities**

YMCA of Indiana County (YMCA) provides/offers various recreational and fitness programs to residents of Indiana County. YMCA is primarily supported through memberships and various programs open to the public. Approximately 80% of YMCA's support for 2013 and 2012, came from those two sources.

**Charitable assistance**

YMCA has a policy of providing membership and program assistance to individuals who are unable to pay prevailing fees and charges based on income. Eligible individuals are identified based on financial and other information. Since YMCA does not expect full payment, the prevailing fees and charges are not included in revenue.

**Temporarily and permanently restricted net assets**

YMCA reports gifts of cash and other assets as restricted support if and when they are received with donor stipulations that limit the use of the donated assets. Permanently restricted net assets are those whose use by YMCA has been restricted by donors to be maintained by YMCA in perpetuity. Temporarily restricted net assets have been limited by donors to a specific time period or purpose.

There were no permanently restricted net assets at December 31, 2013 and 2012. Temporarily restricted net assets for the construction of the Miracle League Field totaled \$443,604 and \$0, for December 31, 2013 and 2012, respectively.

**Cash and cash equivalents**

For the purposes of the statements of financial position and statements of cash flows, YMCA considers nonrestricted, highly liquid short-term investments that have an original maturity of three months or less to be cash and cash equivalents. Included in cash are funds the Board of Directors has designated for use by the Swim Team. These amounts were \$26,992 and \$24,002 as of December 31, 2013 and 2012, respectively. Temporarily restricted funds included in cash for the construction of the Miracle League Field were \$344,323 and \$0 as of December 31, 2013 and 2012, respectively.

**Indirect public support - membership dues**

Membership dues are recognized as revenue in the period in which they are billed.

**Accounts receivable**

YMCA closely monitors outstanding accounts receivable and charges off to expense, any balances that are determined to be uncollectible from historical experience. At December 31, 2013 and 2012, YMCA considered \$10,000 and \$0, respectively, of accounts receivable to be uncollectible. Accordingly, there was \$10,000 recorded as an allowance for doubtful accounts for 2013. Bad debt expense was \$10,000, and \$0 as of December 31, 2013 and 2012, respectively.

**Allowance for uncollectible pledges**

YMCA provides for uncollectible pledges by the direct write-off method. Uncollectible pledges written off were \$10,000 and \$5,500 as of December 31, 2013 and 2012, respectively.

**Property and equipment**

Property is recorded at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Asset purchases over \$1,000 are capitalized and depreciation is computed using the straight-line method over the anticipated economic lives of the respective assets. Asset lives range from three to fifty years.

**Use of estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**YMCA OF INDIANA COUNTY**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2013 AND 2012**

1. **SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (CONTINUED)**

**Federal income taxes**

YMCA is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and therefore, no provision for income taxes is included.

**Donated materials or services**

The value of donated materials or services relating to normal operations is not reflected in the accompanying financial statements since there is no objective basis available by which to measure the value of such materials or services.

**Uncertain tax positions**

YMCA has adopted FASB ASC 740-10-25, *Accounting for Uncertainty in Income Taxes*. YMCA will record a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by the taxing authority. YMCA evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings.

YMCA's evaluation on December 31, 2013 revealed no uncertain tax positions that would have a material impact on the financial statements. The 2011 through 2012 tax years remain subject to examination by the Internal Revenue Service. YMCA does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

**Advertising expenses**

Advertising costs are expensed as incurred. Advertising expense for 2013 and 2012 were \$23,782 and \$19,032, respectively, and has been included in printing and publications on the statements of activities and changes in assets.

**Subsequent events**

Management has evaluated subsequent events through May 27, 2014 the date financial statements were available to be issued.

2. **CONCENTRATION OF CREDIT RISK FOR CASH HELD AT BANKS**

YMCA maintains cash accounts at two banks. The amount of cash deposits at each financial institution insured by the Federal Deposit Insurance Corporation was \$250,000 in 2013 and 2012. In the normal course of business, YMCA may have deposits with these financial institutions in excess of federal insurance coverage. Deposits exceeded FDIC limits in the amounts of \$639,360, and \$0 as of December 31, 2013 and 2012, respectively.

3. **PLEDGES RECEIVABLE**

Pledge dollars recognized during 2013 and 2012 were \$655,360 and \$100,930, respectively. Pledges receivable were \$92,266 and \$36,023 as of December 31, 2013 and 2012, respectively. The net allowance for uncollectible pledges was \$10,000 for 2013 and \$0 for 2012.

4. **INVESTMENTS**

Accounting standards for Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. YMCA uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, YMCA measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

**YMCA OF INDIANA COUNTY**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2013 AND 2012**

4. INVESTMENTS (CONTINUED)

**Level 3 Fair Value Measurements**

In 2011, YMCA purchased a 22 year annuity with a guaranteed minimum interest rate of 3% and an initial guaranteed period of one year. The annuity imposes a surrender charge on amounts withdrawn until the sixth year has been reached; the surrender charge percentage ranges from 7% in the first year to 2% in the sixth year. Each year after the first contract year, 10% of the accumulation value, determined as of the first withdrawal each contract year, may be withdrawn without a surrender charge.
